TEST ECHANTILLON

Avant de commencer la sculpture, vous pouvez essayer le TEST MAISON fourni avec. Nous le recommandons pour les personnes qui n'ont jamais fait de papercraft. Cela vous permettra de vous entraîner et d'éviter certaines erreurs de collage.

Trouvez la feuille TEST à l'intérieur du Kit :

Détachez et manipulez délicatement les différentes pièces.

Nous recommandons de commencer avec cette méthode :

1 / Réalisez tous les plis

2 / Assemblez les Numéros dans l'ordre (1, 2, 3 et 4) en utilisant une colle de type colle à bois blanche. Pressez fermement sur la zone d'assemblage en attendant quelques secondes de façon à ce que la colle ait bien pris sur le papier.
